Fall 2022 Internship Program

Interpretation Internship

Our Interpretation team is seeking two Interns to work across a broad range of projects, including visitor intercept interviews. This work includes transcribing, coding and analyzing qualitative data from visitor responses. The Intern will gain experience in multiple databases and organizational systems and be given insight into the day-to-day operations of museum interpretation analytics.

Responsibilities

- Conducting data collection
- Conducting front-end testing for interpretive elements
- Attend community meetings
- Reviewing and approving submitted visitor content

Preferred Qualifications

- Writing/Communication skills
- Strong research skills
- Database experience a plus

Proposed Schedule

- This position will be a hybrid work structure (onsite/virtual).
- Weekend and Weekday workdays are available.

Apply
