Fall 2022 Internship Program

American Painting & Sculpture Internship

Our American Painting and Sculpture team is seeking an Intern to support research in early American histories and objects. The Intern will assist with compiling bibliographies and images of installations at museums across the country and conduct initial research on specific objects in the BMA's collection. This work will support a planned future reinstallation of American Art galleries at the BMA.

Responsibilities

- Researching general histories of American colonial objects
- Compiling bibliographies of various museum period galleries
- Conduct research on objects in BMA collection

Preferred Qualifications

- Strong organizational skills
- Writing/Communication skills
- Research skills

Proposed Schedule

- This position will be a hybrid work structure (onsite/virtual).
- This position will meet during the week.

Apply
