Spring 2023 Internship Program

Curatorial: Cultural Property Policies Internship
The BMA’s Department of the Arts of Africa, Asia, the Americas, and Pacific Islands is seeking an Intern to work with the curator of Oceanic and African art to help implement new cultural property policies included in the BMA’s Collections Management Manual.

This is a research-intensive position. The Intern will work with the AAPI department head to research the provenance of specific artworks, cultural heritage/property laws of countries from around the world, and the identities of descendant communities. The Intern will also contribute to the creation of new accessioning procedures and will assist in researching potential gifts and acquisitions.

Responsibilities
- Research specific objects
- Compile information pertaining to heritage/property laws of various countries
- Research the identities of descendant communities
- Assist with creating new accessioning procedures

Education Requirement
This position requires applicants to be enrolled in a Graduate Program or to have recently obtained their Graduate Degree within the last five years. PhD candidates are also encouraged to apply.

Preferred Qualifications
- Writing / Communication skills
- Strong research skills
- Knowledge of African and/or Oceanic art and art history

Proposed Schedule
- This position can be performed remotely or as a hybrid structure with some onsite days
- Working days will be Monday-Friday

Apply
Please see below for Application Instructions (we have added an online submission form option), required materials, and answers to other frequently asked questions. All application materials must be submitted by Sunday, January 29th, 2023.
