The Art of Partnership

The Baltimore Museum of Art (BMA) is home to an internationally renowned collection of 19th-century, modern, and contemporary art, distinguished by the largest and most comprehensive public holding of works by Henri Matisse. Building on this legacy of excellence, the BMA is now forming an equally compelling collection for the 21st century—one that comprises socially relevant, cutting-edge acquisitions alongside collection mainstays—to form a new canon rooted in historical accuracy, merit, and equity.

Support Culture In The Region, Invest In Baltimore’s Future

Over 100 years ago, the BMA was founded on the belief that access to art and ideas is integral to a vibrant and healthy civic life. This belief was furthered by the removal of general admission fees to the Museum in 2006 and it remains our core value today. With Membership in the BMA Corporate Council, you join like-minded corporate leaders committed to enhancing the quality of life in our community.

The enormous contributions of Corporate Council Members help keep the BMA dynamic and accessible to all. As a Corporate Council Member you receive exclusive benefits to engage your employees, entertain valued clients, and provide visibility to your company as a BMA corporate partner. Among these benefits are invitations to private exhibition previews and other special events, annual corporate events for your employees and their families, free access to ticketed exhibitions for your employees, private curator-led talks, and the opportunity to rent Museum spaces at a discount for entertaining, depending on Membership level.
